We are looking to recruit the next Olympic champion. Are you a self-motivated, resilient athlete who is passionate about the training process? Do you have big goals? Are you ready to tackle a new sport? Aerial skiers travel the world to train on the best snow and best facilities.

The VIS Aerial Skiing Development Program has a strong history of producing world cup champions, Olympic medallists and world champions for more than 20 years including Lydia Lassila, Alisa Camplin, Jacqui Cooper, Laura Peel, David Morris and Danielle Scott.

At the come and try session, you will get to learn the requirements of Aerial Skiing, and experience an online training session first hand. You will get a session with our coaches, as well as a Q&A session with our current development athletes
