

The Victorian Challenge and Enrichment Series

The Victorian Challenge and Enrichment Series (VCES) is designed for high-ability students, to offer them enrichment and extension outside of their normal classroom setting.

Registration requirements

By registering, you confirm that the students meet all following requirements as outlined:

- Demonstrates readiness and an ability to complete the activity.
- Have parent/caregiver consent to participate in the activity.
- Have shown evidence of high ability in the activity curriculum area.

All information in the school registration form will be provided to the Victorian Institute of Sport.

Parent/Caregiver Consent

A [Parent/Carer Consent Form Template](#) is available for you to use prior to registering students. It is a requirement of registration that you have obtained parent/caregiver consent prior to registering a student or students in the activity.

Please note that while the department does not require schools to provide evidence of parent/caregiver consent to support the registration, evidence of consent must be provided to the department on request. Parent/caregiver consent must be retained by the school for 7 years and then destroyed according to the [Records Management](#) policy.

Evidence of high ability

We do not require schools to provide evidence of high ability to support the registration, however data/evidence must be provided on request.

Collection Notice

The booking form will be collecting your name, email, phone number, school name, school number and information about the students you are registering for the VCES activity. This information will be used for the purposes of registering students into the VCES activity, managing their registration in the activity, and to facilitate contact should any clarification or further information be required. The department also encourages schools to collect additional optional student demographic and health information from parents/caregivers, which will be used by the department to understand program reach and impact, and for the purposes of program evaluation to support improvements. This demographic and health information is used to evaluate the

demographic breakdown of participants in the program, the effectiveness of the program, and to help the department understand how the program might be changed in the future to further increase student participation across different cohorts of students. Your answers to this form may be used in reporting within the department about the VCES program. Aggregated information will be included in the report, which will aggregate the information by school and year level in a way that does not identify your students.

If not all the information is provided in the booking form, Victorian Institute of Sport may not be able to register the students or follow up on any submitted information.

Information provided in the form will be stored securely in Victorian Institute of Sport systems in accordance with our [privacy policy](#), with access restricted to those administering the VCES program, staff that need to provide required technical system assistance.

Information provided to the department will be stored securely in the department's systems, with access restricted to those administering the VCES program and staff that need to provide required technical system assistance and also any staff that need to know in accordance with the department's [privacy policy](#). All information will also be handed in accordance with the Department's [Records Management Policy](#).

Deidentified data may be shared with external organisations for the purposes of evaluating the program.

Your information will be handled in accordance with this Privacy Notice or where otherwise authorised or permitted by law.

All information will be handled in accordance with Victorian privacy and records laws.

For further information on this Notice or how personal information is handled, or to request access and correction of personal information, please contact community.programs@vis.org.au or 03 9425 0000.
